The U.S. EPA has developed a proposed plan for the Hi-Mill Superfund Site. MIAMI TOWNSHIP LIBRARY  
300 WEST LIVINGSTON ST.

To encourage public participation in the remedy selection process, the U.S. EPA has established a public comment period for the submission of comments on the proposed plan. The comment period will run from August 19, 1993 to September 1, 1993. Any written comments must be postmarked to arrive at the EPA Region 5 Office by September 1, 1993.
